

CITY OF SPRINGFIELD
INTER-OFFICE MEMORANDUM

ATTENTION OF Harry Criswell

DATE December 28, 1976

DEPARTMENT _____

Mr. David Johnson, With Ozark Motor & Supply Company, 440 East Tampa, was contacted concerning a discharge from the east side of their building. Mr Johnson explained that the discharge is caused by condensation from their boiler. He said that he would change the plumbing so as to put the discharge into the sanitary sewer. Mr. Johnson said that he would have this work completed as soon as possible.

cc: Mr. Gaylord Weeks, Technical Assistant to Director of Public Works
